

To whom it may concern,

I am writing to express my concern for what I see as a grave threat to journalism and democracy in this country.

By allowing Sinclair Broadcasting to air the program "Stolen Honor", the FCC would be creating a horrible mistake. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Please take these comments seriously, as I am sure many other concerned citizens share my desire to protect our democracy and restore journalistic integrity.

Thank you
